

PROGRESS COMMUNITY WATER ASSOCIATION RATES AND PROCEDURE INFORMATION

Residential billing is as follows: \$22.00 for 000-2000 gallons and \$9.00 per thousand used after minimum.

Commercial billing is as follows: \$27.00 for 000-2000 gallons and \$10.00 per thousand used after minimum.

All meters that are residential and have a 1" meter or bigger will be billed the commercial rate.

All new members are charged \$15.00 for a membership fee. This is one time only fee.

Each new member that has purchased a home or land or is having Progress Water set a meter must provide a Utility Easement to Progress Water for access to our water lines that are on that certain property. We will provide the Easement to be signed. There will be a \$15.00 recording fee for this Easement.

Meter deposit on house is \$50.00, mobile home is \$100.00 and rental is \$100.00. This amount is to be paid BEFORE service is connected. Deposit is refundable when member disconnects service. The last billing will be taken out of the deposit before issuing a check to the person. These checks are presented to the board of directors at a regular board meeting for approval and signature of check.

Any agency of any kind that wants water turned on while cleaning, renting or trying to sell will have to start an account with Progress Water.

You may pay your bill in the office with cash, check or credit card or online at progresscommunitywater.com Cards are subject to \$2.00 fee up to \$100.00, after \$100.00 the fee is 3%.

All monthly bills are sent out the last working day of the month. If you do not receive a bill within 10 days you will need to call office for your amount. All current bills are due on or before closing of business (4:00 pm) of the 25th of each month. After the 25th all accounts that are not paid in full have a late charge of \$15.00 added.

Progress water By-Laws state that non-payment on account after 30 days from the due date will result in the water shut off from the member's property without any notice there of to such delinquent member. If water is disconnected, you will have to pay the total amount owed on your account plus \$50.00 reconnect. ALL MEMBERS NEED TO READ CAREFULLY. \$150.00 will be charged if a member tampers with meter and cuts lock. This is also against the law and is punishable as such.

All members are responsible for the maintaining and upkeep of all service lines from meter to your residence. Please make sure that all leaks are repaired as soon as possible and that all toilets are in working order and do not have water running through them continuously. A toilet that has water running through it all the time will run water bill up before a small leak.
